

Figure 1

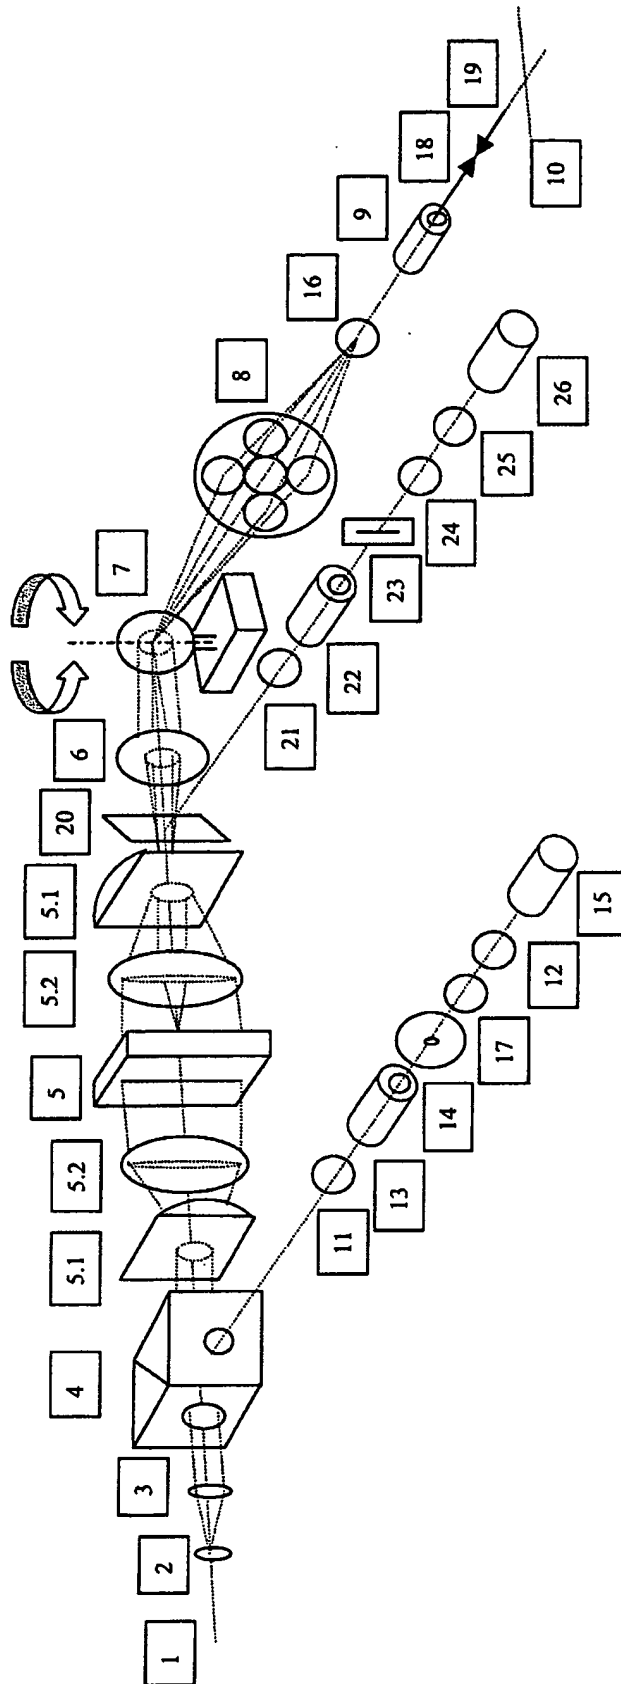

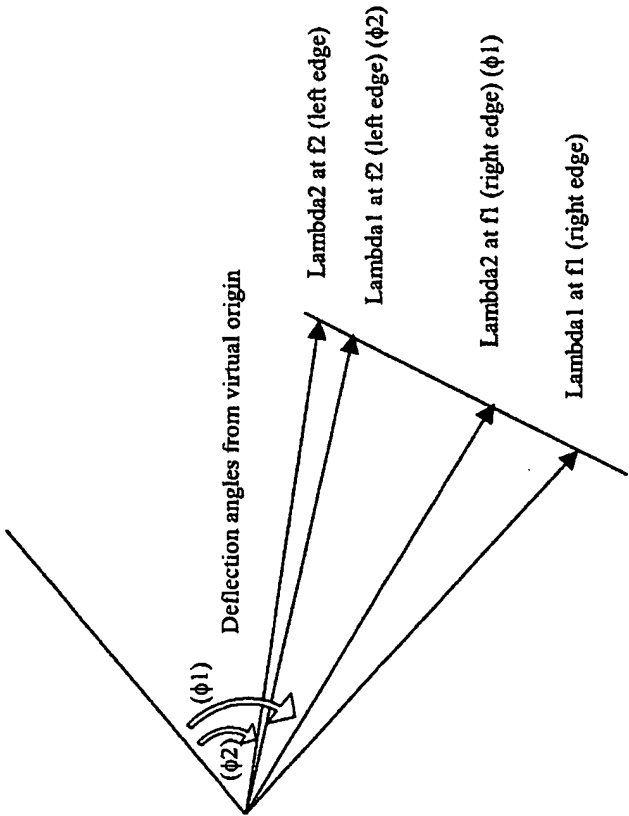

Figure 2

Uncorrected left and right deflection positions		
wavelength	Left edge ( $\phi$ )	Right edge ( $\phi$ )
Lambda2	$(\phi 2) * \text{lambda}2 / \text{lambda}1$	$(\phi 1)$
LambdaN	$(\phi 2) * \text{lambda}N / \text{lambda}1$	$(\phi 1) * \text{lambda}N / \text{lambda}2$
Lambda1	$(\phi 2)$	$(\phi 1) * \text{lambda}1 / \text{lambda}2$

Note that angular deflection is greatly exaggerated for clarity in the diagram.
